

## 2020 Foresight: Transforming Tomorrow

### Sponsorship & Exhibitor Opportunities

#### About the Conference

The Conference on Circular Economy & Trade Show is a premier networking and professional development event hosted annually by the Recycling Council of British Columbia. The three-day conference draws approximately 300 industry professionals from the government, non-profit, and business sectors. With overarching goals to reduce waste and transition to a circular economy, the conference features progressive programming, preferred practices, advanced theory, and innovations from BC, Canada, beyond our shores, and around the world.

Sponsors and exhibitors to the 46th Annual Zero Waste Conference have the opportunity to be front and centre as sector-leading companies and organizations. We welcome your support and commitment to environmental stewardship through your participation through the following partnership opportunities:

## MESSAGE FROM BROCK MACDONALD, CEO

# THANK YOU ONE AND ALL!

Every non-profit has its mission, its purpose, its raison d'être by which it is defined. Since 1974, RCBC and its members have worked towards the elimination of waste as our common goal. It has been a long time, on a long road, and our work is not yet done. Every year, we gather this diverse community of professionals whose collective vision is a world without waste. In that moment, we share our knowledge and experience, our successes and failures, provide mutual support, and continue our journey along the path towards the zero-waste future of a sustainable Circular Economy.

We cannot do this alone. Whether it's a session focused on circular economy principles or an opportunity to network with colleagues over lunch, your contribution is what makes this conference happen. Your continued participation and generosity not only provides a quality experience for delegates, it also enables RCBC to continue its work throughout the year. Without you, we could not provide the public education and information services so needed throughout the province to make our vision a reality in the years to come.

For giving us the opportunity to reduce waste in British Columbia we thank you one and all.

A handwritten signature in purple ink that reads "Brock Macdonald". The signature is fluid and cursive.

Brock Macdonald

### **Title Sponsor** *(Limited to one Sponsor for this leadership opportunity)*

*Cost \$20,000*
